SUNDAY AFTERNOON

AAAAAAAAAAAAH!

UMM... ART?

YEAH,
THAT'S NOT
GOOD,
LOU.

HELL'S
KITCHEN

WHO'S
THAT?

LOOKS
LIKE DAN.

OH,
POOR
DAN.

POOR DAN?
LOU, THE GUY'S A
COCKSUCKER.

HEY--

FIRST TIME
HE CAME INTO OUR HOUSE,
THE FIRST TIME, HE LOOKED AT
OUR MANTEL, RAN HIS FINGER
OVER IT AND INSPECTED IT
FOR DUST.

SO I ASK YOU,
WHAT TYPE OF PERSON DOES
THAT MAKE DAN?

I JUST HATE
LABELING PEOPLE.
IT'S MEAN.

SO THIS
DAY WENT ALL TO
HELL, HUH?

»SIGH«
YEP.

THIS IS WHAT
I GET FOR TRYING TO HAVE
A NICE NEIGHBORHOOD
BEE-BEE-QUE.

WHAT
HAPPENED?

THE SHED.

YOU DON'T
KEEP A LOCK ON
THAT THING?!

I DO
BUT SOMEONE
POPPED IT.

LEMME GUESS? THE
GREEN'S BOY?

I SWEAR, THAT KID'S
GOING TO END UP IN JAIL.

UHH...
I DON'T THINK
SO.

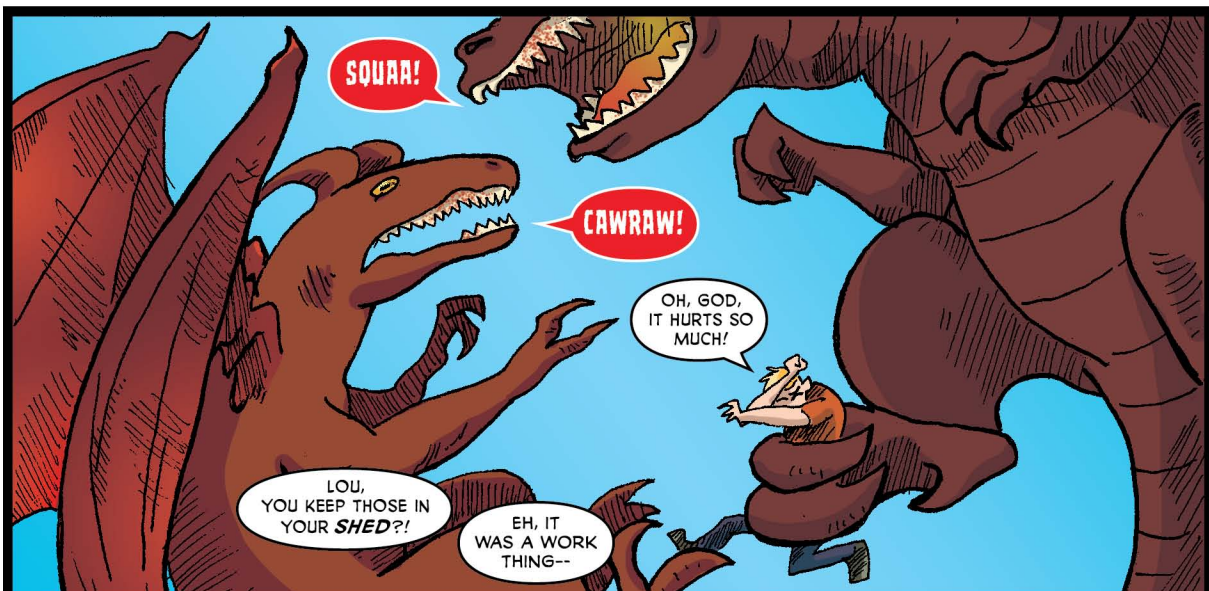

HUH?

MOMMY,
HELP! I DON'T
WANT TO DIE.

SQUAAAAA!

...OH.

LOU,
YOU KEEP THOSE IN
YOUR *SHED*?!

EH, IT
WAS A WORK
THING--

OH, GOD,
IT HURTS SO
MUCH!

YOU GOTTA STOP
BRINGING YOUR WORK HOME
WITH YOU.

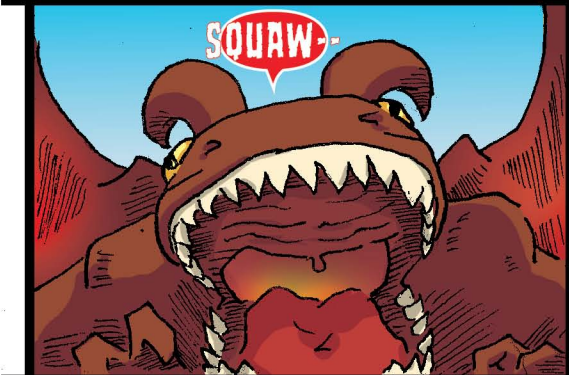

IF YOU
DON'T GIVE
YOURSELF TIME
TO STEP AWAY,
THE STRESS IS
GOING TO
KILL YOU.

I KNOW.
THE OFFICE
IS A MESS
RIGHT NOW.
I'M JUST
TRYING TO
RIDE IT
OUT.

OH ICK.

Creative team

George O'Connor: Writer, Letters (@lazyhorde)

George likes to write. A lot. He co-created the comics *Healed* and *Baby* with his friend and illustrator, Griffin Ess. He's also contributed stories to various comics anthologies published by Elevator Pitch Press and Comixtribe. On the web, he created the series **664-The Neighbor of the Beast** (lazyhorde.com) along with over 60 short films. And some how he also juggles playing guitar in his metal and punk rock bands and beating his son at Pokémon.

Harley Bean: Illustrator (@harleybean13)

Harley is a small human that resides in Cambridge, MA, hunting for inspiration daily to fuel their illustrations. Drawing since they could hold a pencil in their hand, Harley has always watched cartoons and read comics and learned from them. Figure, Fashion and Fantasy are the main subjects of their pieces, populating their Instagram ([Harleybean13](https://www.instagram.com/harleybean13)) along with many short comics. They are forever building their portfolio through sketchbook after sketchbook. Sci fi and fantasy narratives are what they do best and hopes to do something with this talent that no one else in the family seems to have.

Lesley Atlansky: Colorist (@latlansky)

Lesley Atlansky is a comic colorist and visual artist from Portland, Oregon. As a painter and former graphic designer, she brings a unique style and sense of color to comics. Coloring combines two of Lesley's favorite pastimes, and she is excited to explore how far she can push herself in this digital medium. More of her work can be found at www.lesleyatlansky.com.
